Thanks for such a consideration. On Friday, I'll be busy all day until 4:00 pm, which is when a training I'm taking will end. I can meet then. However, if that time does not work, then I can just get an update from you another time.

I wouldn't mind sitting in this discussion too if my time permits.

Thanks,

Kara,

The Tonopah minor source permit was appealed, and MCAPCD is citing to EPA statements on the CAFO settlement to say it has no obligation to calculate emissions from the chicken barns.

Hi Margaret,

FYI. This was a hearing for an appeal, not a grievance like I had mentioned.

Ms. Chan

Attached are some documents related to the air modification permit appeal hearing scheduled for Monday, Nov. 7th. Let me know if you would like any of the exhibits. I have those too, but the files are quite large and may be too big to send via email.
